

Looking for a doctor?

Finding one online is fast and easy

Use our online **Find a Doctor** tool to look for doctors, hospitals, labs and other health care providers in your Anthem Blue Cross plan. Check if your favorite doctor is part of your plan, or look for one near you. Avoid getting care from doctors outside of your plan if you can — it will cost you more or your plan may not cover it all.

Here's all you need to do:

If you're a member

Go to anthem.com/ca, and log in.

Under *Useful Tools* on the right, select **Find a Doctor**.

Next, Select the type of doctor, area of specialty and location, plus the name of the doctor or medical professional, if available. Select **Search**.
